

Product Health and Safety Data Sheet Polyflor Resilient Flexible Vinyl Floorcovering

1. Identification of the substance/ preparation and of the company undertaking	5. Fire Fighting Measures
1.1 Product Name	5.1 Suitable extinguishing media: Water spray jet, foam, dry powder, carbon dioxide
Polyflor Voyager PUR Polyflor Voyager PU	5.2 Extinguishing media that must not be used: Not applicable
1.2 Company Details Polyflor Limited P O Box 3 Radcliffe New Road Whitefield Manchester M45 7NR Tel: 0161 767 1111 Fax: 0161 767 1100	 5.3 Special exposure hazard arising from the substance or preparation itself, combustion products, resulting gases: Hazardous combustion products: carbon monoxide and hydrogen chloride 5.4 Special protective equipment for fire fighting: Use respiratory protection independent of recirculated air.
 2. Composition / Information on ingredients 2.1 There are no substances in this product presenting a health or environmental hazard within the meaning of 	 6. Accidental release measures 6.1 Personal precautions: No special measures required 6.2 Environmental precautions: no special measures required 6.3 Methods for cleaning up: Dispose of according to
the Chemicals (Hazard Information & Packaging for Supply) Regulations	regulations
	7. Handling and storage
3. Hazards Identification These products are non-hazardous	7.1 General information: no special protective measures required7.2 Handling: Normal safe handling practices must be applied
4. First Aid Measures	 7.3 Storage: It is recommended that rolls are stored in the vertical position and restrained in position using safety chains or straps
4.1 Inhalation: no specific measure required Skin Contact: no specific measure required	
Eye Contact: no specific measure required Ingestion: no specific measure required	8. Exposure controls / personal protection8.1 Personal protection equipment: None required

 9. Physical and Chemical properties 9.1 Appearance: solid sheet or tile in various designs/colours. 9.2 Odour: Odourless. 9.3 Solubility (Water): Insoluble. (Other): Soluble in Tetrahydrofuran. 9.4 Specific Gravity: Dependant upon product type with a range between 1.25 and 1.80 	 13. Disposal Considerations 13.1 Material: Dispose of in accordance with local and national legislation 13.2 Contaminated packaging: Recommendation: dispose by recycling
 10. Stability and reactivity 10.1 General information: If stored and handled in accordance with standard industry practices no hazardous reactions are known. 10.2 Hazardous decomposition information: Thermal decomposition will evolve toxic vapours - hydrogen chloride and carbon monoxide 	 14. Transport information The floorings are not classified as dangerous for transportation 15. Regulatory information
 11. Toxicological Information 11.1 General information: No harmful effects have been reported to date. 11.2 Inhalation: Not applicable Ingestion: Not applicable Skin contact: No known hazard Eye contact: Not applicable 	The finished floorings are defined as "not hazardous" in the chemicals Hazard information and packaging regulations (CHIP) 16. Other information All seam welding to be carried out in a well ventilated area
 12. Ecological information 12.1 Environmental fate and distribution: The floorings have no mobility in soil The floorings are insoluble in water The floorings are not expected to bioaccumulate 12.2 Persistence and degradability: The floorings will not biodegrade 	Polyflor Limited has prepared the safety data on the basis of its best knowledge and information available at the present day. Polyflor gives no guarantee and disclaims responsibility for individual items being incomplete or incorrect. Furthermore, Polyflor gives no guarantee that all possible measures are contained within the safety data sheet (including exceptional circumstances).
