

## Product Health and Safety Data Sheet

### Polyflor Resilient Flexible Vinyl Floorcovering

<p><b>1. Identification of the substance/ preparation and of the company undertaking</b></p> <p>1.1 Product Name</p> <p style="text-align: center;"><b>Polyflor Voyager XL</b></p> <p>1.2 Company Details</p> <p style="padding-left: 20px;">Polyflor Limited P O Box 3 Radcliffe New Road Whitefield Manchester M45 7NR Tel: 0161 767 1111 Fax: 0161 767 1100</p>	<p><b>5. Fire Fighting Measures</b></p> <p>5.1 Suitable extinguishing media: Water spray jet, foam, dry powder, carbon dioxide</p> <p>5.2 Extinguishing media that <b>must not</b> be used: Not applicable</p> <p>5.3 Special exposure hazard arising from the substance or preparation itself, combustion products, resulting gases: Hazardous combustion products: carbon monoxide and hydrogen chloride</p> <p>5.4 Special protective equipment for fire fighting: Use respiratory protection independent of recirculated air.</p>								
<p><b>2. Composition / Information on ingredients</b></p> <p>2.1 There are no substances in this product presenting a health or environmental hazard within the meaning of the Chemicals (Hazard Information &amp; Packaging for Supply) Regulations.</p>	<p><b>6. Accidental release measures</b></p> <p>6.1 Personal precautions: No special measures required</p> <p>6.2 Environmental precautions: no special measures required</p> <p>6.3 Methods for cleaning up: Dispose of according to regulations</p>								
<p><b>3. Hazards Identification</b></p> <p>These products are non-hazardous</p>	<p><b>7. Handling and storage</b></p> <p>7.1 General information: no special protective measures required</p> <p>7.2 Handling: Normal safe handling practices must be applied</p> <p>7.3 Storage: It is recommended that rolls are stored in the vertical position and restrained in position using safety chains or straps</p>								
<p><b>4. First Aid Measures</b></p> <p>4.1</p> <table style="width: 100%; border: none;"> <tr> <td style="padding-right: 20px;">Inhalation:</td> <td>no specific measure required</td> </tr> <tr> <td>Skin Contact:</td> <td>no specific measure required</td> </tr> <tr> <td>Eye Contact:</td> <td>no specific measure required</td> </tr> <tr> <td>Ingestion:</td> <td>no specific measure required</td> </tr> </table>	Inhalation:	no specific measure required	Skin Contact:	no specific measure required	Eye Contact:	no specific measure required	Ingestion:	no specific measure required	<p><b>8. Exposure controls / personal protection</b></p> <p>8.1 Personal protection equipment: None required</p>
Inhalation:	no specific measure required								
Skin Contact:	no specific measure required								
Eye Contact:	no specific measure required								
Ingestion:	no specific measure required								

<p><b>9. Physical and Chemical properties</b></p> <p>9.1 Appearance: solid sheet or tile in various designs/colours.            9.2 Odour: Odourless            9.3 Solubility (Water): Insoluble                              (Other): Soluble in Tetrahydrofuran            9.4 Specific Gravity: Dependant upon product type with a range between 1.25 and 1.80</p>	<p><b>13. Disposal Considerations</b></p> <p>13.1 Material: Dispose of in accordance with local and national legislation            13.2 Contaminated packaging: Recommendation: dispose by recycling</p>
<p><b>10. Stability and reactivity</b></p> <p>10.1 General information: If stored and handled in accordance with standard industry practices no hazardous reactions are known.            10.2 Hazardous decomposition information: Thermal decomposition will evolve toxic vapours - hydrogen chloride and carbon monoxide</p>	<p><b>14. Transport information</b></p> <p>The floorings are not classified as dangerous for transportation</p>
<p><b>11. Toxicological Information</b></p> <p>11.1 General information: No harmful effects have been reported to date.            11.2 Inhalation: Not applicable                      Ingestion: Not applicable                      Skin contact: No known hazard                      Eye contact: Not applicable</p>	<p><b>15. Regulatory information</b></p> <p>The finished floorings are defined as "not hazardous" in the chemicals Hazard information and packaging regulations (CHIP)</p>
<p><b>12. Ecological information</b></p> <p>12.1 Environmental fate and distribution:                The floorings have no mobility in soil                The floorings are insoluble in water                The floorings are not expected to bioaccumulate            12.2 Persistence and degradability:                The floorings will not biodegrade</p>	<p><b>16. Other information</b></p> <p>All seam welding to be carried out in a well ventilated area</p> <p>Polyflor Limited has prepared the safety data on the basis of its best knowledge and information available at the present day.</p> <p>Polyflor gives no guarantee and disclaims responsibility for individual items being incomplete or incorrect. Furthermore, Polyflor gives no guarantee that all possible measures are contained within the safety data sheet (including exceptional circumstances).</p>
