Bronglais Hospital

PRODUCTS USED:
2000 PUR, Pearlazzo PUR,
Polysafe Hydro Evolve,
Polysafe Standard PUR,
Polysafe Wood FX PU

Polyflor is pleased to announce that an extensive collection of its flooring products have just been installed in the new Maternity Unit at Bronglais Hospital in Aberystwyth for Hywel Dda University Health Board.

The new hospital marks a major investment of £38 million by the Welsh Assembly Government, the maternity unit of which opened in April 2014. Craftsman Flooring Ltd of Swansea installed over 5000m² of 2000 PUR, Pearlazzo PUR, Polysafe Hydro Evolve, Polysafe Standard PUR and Polysafe Wood FX PUR. This vast array of products featured through the delivery suites and bathroom areas, as well as the usual support rooms and offices.
