The Propeller Bar & Grill Humberside airport North Lincolnshire, UK

PRODUCTS USED: Affinity2⁵⁵ PUR

Heavy Commercial Affinity2⁵⁵ PUR luxury vinyl tiles from Polyflor were recently chosen to complete a stylish interior design scheme at The Propeller Bar & Grill, Humberside Airport to create a high-end bar and restaurant setting for both staff and customers to enjoy.

Approximately 250m² of Affinity2⁵⁵ was installed during the refurbishment by Ark Interiors, seamlessly combining 3 complementary wood designs. For the main restaurant, Dappled Oak was laid in a traditional herringbone pattern, paired with Seasoned Grey Oak surrounding the bar perimeter. To finish, Flamed Oak was laid in the entrance areas to complete the installation.

Affinity2⁵⁵ was an ideal choice for the project - the collection of high design luxury vinyl tiles is developed for heavy traffic environments and combines an eclectic mix of authentically reproduced wood plank designs, incorporating contemporary and recycled timber patterns to suit an array of commercial interiors.
